

What can you expect ?

From first inquiry to Day-of, take a look at the steps that we will follow to ensure a fun and stress-free morning of Hair and Makeup.

Step 1 - Inquire - Pricing

Fill out the inquiry form and let us get to know you! During this time we will determine if we have your date available. This is also the perfect time to take a look at our Price Guide and see how we fit into your budget.

Step 2 - Booking - Deposit

Lets sign! once we've gone over the first steps, we will send you our contract to look over. Once this is signed, and the booking deposit has been received we will move on to step 2

Step 3 - Consultation - Preview - Prep Guides

Lets iron everything out! After booking we will schedule our one-on-one phone consult, as well as your hair and makeup preview. This would be a great time to talk over your desired look, and how we can achieve a style to make you look and feel your best. Prior to our preview we recommend looking for inspiration pictures on Pinterest, Google, or feel free to browse our galleries.

We will send you prep guides to better assist with prepping your hair and makeup to achieve a flawless look.

Step 4 - Prep Questionnaire - Timeline - Payment Breakdown

After we have completed the Preview, we will send you our Prep Questionnaire. This questionnaire will ask more specific questions about your day-of. For example, what services are needed for your bridal party, what times can we start services, who your other vendors are so we can get in touch with them. The most important reason for the questionnaire is to determine your day-of timeline, and complete the final payment breakdown.

Once we review your Prep Questionnaire, we can determine how the timeline needs to look day-of, as well as, calculate the final payment amount. This information will be sent to our bride to have approved. Once the bride has confirmed that all of the information is correct, the details are locked in and will not be modified.

Step 5 - The Week Of

During this time we insure all of our products and tools are cleaned and disinfected. We will have your touch-up kits put together, as well as be in communication with your photographer, and event coordinator. The final payment is due the Monday before the wedding.

Step 6 - WEDDING DAY!!!

Our team will arrive 15-30 minutes earlier than the start time to set up. We stick to the timeline as close as possible so our brides have a stress-free morning! Once the services are all complete, we will then provide quick touch-ups, as well as touch-up kits to the bride and bridal party. We will then clean up and let you enjoy your big day!
