Hey there, I'm Becca! I'm a passionate makeup artist who's been immersed in the makeup industry since I was 18. I'm based in Salisbury, North Carolina and I specialize in bridal makeup. I love helping brides feel their most beautiful on their special day, whether it's a soft, natural look or a stunning full Hollywood glam style. My goal is to enhance each client's unique features while ensuring they feel confident and radiant. With a versatile skill set, I can create everything from effortless no-makeup looks to dramatic evening styles. I believe makeup is an art form that allows for self-expression, and I take pride in tailoring each application to suit the individual's personality and vision. Let's collaborate to bring your makeup dreams to life!

-Becca Camden

Hey! I'm Judy – a Florida girl who traded in the sunshine for the charm of North Carolina when I moved here with my family in 2021. With over 10 years in the beauty business, I've mastered the art of making people feel like the absolute best version of themselves. From sleek and smooth to big and bold, I've worked with all hair textures and love creating the perfect style for every special moment.

I'm all about those glamorous waves – they're my signature, and I'm obsessed with how they blend timeless elegance with a touch of modern flair. Whether it's your wedding day, a photoshoot, or any celebration that deserves a little extra sparkle, I'm here to make sure you look and feel unforgettable. My goal is simple: to create an experience that's just as amazing as the way you'll look when I'm done!
